As this document sets out the terms of a legal contract between you and us it is important that you read it carefully. Please do not hesitate to contact us if you would like further explanation of any of the terms.

We are bound by the ethical guidelines of the professional body we are regulated by. We accept the instruction to act for you on the basis that we will act in accordance with those guidelines. Please refer to our terms of business for further information.

1 Payroll

Purpose

- 1.1 The purpose of this work is to assist you in calculating deductions and making payments to your employees, filing the necessary reports with HM Revenue & Customs and paying the correct amount of pay as you earn (PAYE) tax and national insurance contributions (NIC) to HM Revenue & Customs, so as to comply with tax legislation.

What we agree to do and be responsible for

- 1.2 We will prepare your payroll for each payroll period to meet UK employment tax requirements. This will include the following:
- (a) Calculating the PAYE tax deductions.
 - (b) Calculating the employees' NIC deductions.
 - (c) Calculating the employer's NIC liabilities.
 - (d) Calculating any statutory payments, including statutory sick and maternity pay.
 - (e) Calculating other statutory and non-statutory deductions.
- 1.3 For each payroll period we will send you the following documents in time for you to be able to make payment:
- (a) A payroll summary report showing for each employee the gross pay, any additions, any deductions and the net pay.
 - (b) A payslip for each employee (unless you tell us this is not required).
 - (c) A P45 for each leaver.
 - (d) A report showing your PAYE and NIC liability and the date it is due for payment.
- 1.4 For each payroll period we will also send you details of any other information that will be submitted online to HM Revenue & Customs on or before the time you make payments to your employees.
- 1.5 We will use the information described in paragraphs 1.3 and 1.4 above to make the necessary "Full Payment Submission" reports to HM Revenue & Customs. Unless we hear from you in line with paragraph 1.18 below we will assume the information is approved by you and submit it accordingly.
- 1.6 We will prepare and submit monthly "Employer Payment Summary" reports to HM Revenue & Customs where needed. This will apply where the payment you are due to make to HM Revenue & Customs differs to the amounts shown on the Full Payment Submissions.

- 1.7 We will deduct the Employment Allowance from the payroll if you are eligible to claim this. Where you have more than one payroll in operation we will agree with you which payroll will be used to make the claim. You will be responsible for confirming eligibility to make the claim.
- 1.8 We will include in the payroll appropriate amounts in respect of any benefits in kind which you have agreed with HMRC will be taxed through the payroll.

These services may be the subject of a separate engagement letter. We will discuss and agree our fee for such work when it is commissioned by you.
- 1.13 Where specialist advice is required on occasions we may need to seek this from or refer you to appropriate specialists.
- 1.14 Since 17 July 2013 a General Anti-Abuse Rule has been in operation in the UK. This rule enables HM Revenue & Customs to further tackle abusive tax planning schemes. Due to the low probability of eventual success of such schemes and the high ethical standards of this firm, it is our policy not to advise on tax schemes that we consider to be artificial or aggressive in nature. Please let us know if you would like to discuss this matter further or if you feel that you are disadvantaged in any way by the firm's policy on tax avoidance.

What you agree to do and be responsible for

- 1.15 You agree to provide us with complete and accurate information regarding your employees and payments due to them including expenses payments not covered by the statutory exemption or paid under an approved method. You will provide us with this information before you first pay a new employee.
- 1.16 If you operate within the construction industry you agree to provide us with details of construction industry scheme (CIS) deductions suffered that you wish to offset against your PAYE payments to HM Revenue & Customs (company subcontractors only). This information must be received for each "tax month" (tax months run from the 6th of the calendar month to the 5th of the following calendar month) and by the 19th of the month in which the tax month ends. In addition, if you are a contractor within the construction industry, you agree to provide us with details of the CIS deductions you have withheld in each tax month, if you wish us to advise you of the total amount due to HM Revenue & Customs (CIS and PAYE taxes combined).

You recognise that where information is not provided to us within the timeframe we outline, we are not responsible for any delays for payments or reports to employees or HM Revenue & Customs.
- 1.18 It is necessary for us to submit a Full Payment Submission (FPS) to HM Revenue & Customs on or before the time you make payments to your employees. We will also need to file Employer Payment Summary (EPS) reports where the amount of taxes you are paying to HM Revenue & Customs

differs to the amounts shown on the FPS reports. If an error is made with regard to an earlier tax year, an Earlier Year Update (EYU) report may be required.

These reports will be based on the information that you provide us, as summarised in the information that we submit to you for each pay period (as outlined above). HM Revenue & Customs can impose penalties if reports are late or incorrect and so it is vital that you carefully review the information that we submit to you and let us have any amendments immediately. If we do not hear from you before a report submission date, we will take that as your approval of the report and make the online submission accordingly. You will remain legally responsible for the accuracy of the return.

- 1.19 If you require us to make an amendment to a submitted FPS or EPS or to submit an EYU, you will let us know as soon as possible and before the time of the next employee payment date.
